

JUNIOR GOLF

GET THEM INTO GOLF!

Give your child the opportunity and support to learn and play golf in a safe friendly environment.

We've put a lot of emphasis on developing Junior Golf and with the help of our PGA Professionals and Junior Liaison Officers, we have created the perfect golfing pathway to support any junior on their journey into and through the game of golf.

No matter what initial commitment level they wish to start with this is a way to try the game and make use of our perfect Academy facility of; Driving Range, Practice areas and Par 3 Course.

With golf they can not only learn a lifelong skill, it also teaches players honesty, integrity, respect both on and off the course and is a great place to meet new people, interact and build social skills.
