

As you will all be aware the outbreak of Coronavirus is a top story in the news across the world. We want to reassure you that we are taking all the necessary steps to ensure the safety of all our guests and staff.

We have always had the highest standards of cleaning and hygiene throughout the Hotel and Spa. In addition to this we have provided hand gel in all public areas for use by guests. Staff will all be following a strict protocol around regular hand washing as they always do, and they will be using hand gel.

We are confident that we have excellent safeguards in place to allow guests to have every confidence that they can enjoy their time with us without concern.
