

It is with great sadness that we have been faced with little choice but to close Matfen Hall Hotel, Golf Course and Spa at least until the end of May. This situation will be kept continuously under review.

Since opening the hotel in 1999 our wonderful staff have everyday looked forward to welcoming our guests, members, visitors and friends to the property. We are in unprecedented times and it is very sad but absolutely right to make this decision in the interests of all concerned. In a rapidly moving situation, our management and staff have tried their best to implement measures to protect the public over the last week in line with government advice. However, we now know these measures are insufficient to prevent the risk of spreading this virus within our community.

Our sales team at Matfen Hall are in the process of contacting all our customers who are affected and will discuss bookings and try to make alternative arrangements.

Finally, we would like to extend our very best wishes to all our members, guests and visitors and thanks to those who have sent their extremely supportive messages to our staff over the last few weeks. We look forward to welcoming you back as soon as we possibly can.

Best Wishes,

Sir Hugh and Lady Blackett
